Dear Brethren,

With Spring Conference now behind us and Bro. Joseph doing well, I want to say thank you for one more term and your continued confidence in this ministry team as it remains almost completely intact. Section 2 was the only change with Bro. Crissman moving on to Home Missions and Bro Loren Hiner becoming our new sectional man.

We have appreciated Bro. Crossman's drive and contributions having been named Sectional Director of the year twice and most recently taking over the reigns as our promotional director. I know he will be an asset to the Home Missions team.

Apostolic Man Offering is June 19<sup>th</sup> and we would like it to be in to Bro. Blaylock by July 18<sup>th</sup> please. We need your assistance in this endeavor, so please begin planning for it now.

Summer Conference Men's session is the next gathering for our department on Friday, July 15<sup>th</sup> at the Lynnwood Convention Center. Bro. Gary Gleason, District Superintendent of Oregon, will be our speaker. He is a wonderful man with great insight and love for the Word of God. Whether he decides to teach or preach, I know we will be blessed.

'In Service to the King' is the theme for our Conference February 16-18, 2012 at the Bremerton Harborside Conference Center. There are plenty of things to do and see close by, with food, Cold Stone Creamery and Starbucks within walking distance. The United States Navy is just across the street as well and we are still trying to figure out the security issues to get to tour an active Navy vessel. Bro. Terry Pugh from Odessa, Texas will be the main speaker and we will have gym night on Friday, likely at the Y. I am praying for Bro. Hall to feel sorry for me in the racquetball court at that time and have a little mercy on me.

Please make it your business to pray for this ministry as our success depends upon the unity of the brethren we are trying to minister to.

Thot: You don't have to have all the answers, but it is imperative that you know where to go to get them!

In His Service,
